https://www.unifrog.org/student/subjects/words/publishing

Real world examples – watch videos and read stories about people who work in careers using **English:**

A marketing executive - https://www.bbc.co.uk/bitesize/articles/zf4fhbk

An apprentice journalist - https://www.bbc.co.uk/bitesize/articles/z46p8xs

Study creative writing at university - https://www.unifrog.org/student/subjects/words/creative-writing

Marketing - https://www.unifrog.org/student/subjects/words/marketing

A sports journalist - https://www.bbc.co.uk/bitesize/articles/zr3xwty

Freelance writer - https://www.bbc.co.uk/bitesize/articles/zbgc6v4

Study English language at university - https://www.unifrog.org/student/subjects/keywords/english

Journalist - https://www.bbc.co.uk/bitesize/articles/z4ykscw

MATHS

Click on the links below to find out more about the different careers available using **Maths**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Accountant

https://nationalcareers.service.gov.uk/job-profiles/private-practice-accountant

2. Actuary

https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/actuary

3. Cyber Intelligence Officer

https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/cyber-intelligence-officer

4. Economist

https://nationalcareers.service.gov.uk/job-profiles/economist

5. Finance Adviser

https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/financial-adviser

6. Software Developer

https://www.careerpilot.org.uk/job-sectors/software-systems/job-profile/software-developer

7. Stockbroker

https://www.careerpilot.org.uk/job-sectors/finance-accounting/job-profile/stockbroker

8. Architect

https://www.bbc.co.uk/bitesize/articles/z7thd6f

9. A statistician

https://www.unifrog.org/student/subjects/area-mathematical-sciences/statistics-and-econometrics

Real world examples – watch videos and read stories about people who work in careers using **Maths:**

A software engineer - https://www.unifrog.org/student/subjects/area-mathematical-sciences/software-engineering

Computer Game Designer - https://www.unifrog.org/student/subjects/area-mathematical-sciences/computer-games-design-and-games-programming

An architect - https://www.bbc.co.uk/bitesize/articles/z7thd6f

Studying maths at university - https://www.unifrog.org/student/subjects/area-mathematical-sciences/mathematics

BIOLOGY

Click on the links below to find out more about the different careers available using **Biology**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. General Practitioner (GP)

https://www.careerpilot.org.uk/job-sectors/medical/job-profile/gp

2. Doctor (in a hospital)

https://www.careerpilot.org.uk/job-sectors/medical/job-profile/hospital-doctor

3. Nurse (in a hospital)

https://www.careerpilot.org.uk/job-sectors/medical/job-profile/nurse

4. Pharmacologist

https://www.careerpilot.org.uk/job-sectors/medical/job-profile/pharmacologist

5. Speech and Language Therapist

https://www.careerpilot.org.uk/job-sectors/childcare/job-profile/speech-and-language-therapist

6. Optometrist

https://nationalcareers.service.gov.uk/job-profiles/optometrist

7. Biomedical scientist

https://www.careerpilot.org.uk/job-sectors/environment/job-profile/biomedical-scientist

8. Midwifery

https://www.unifrog.org/student/subjects/helping-people/nursing-and-midwifery

9. Vet

https://nationalcareers.service.gov.uk/job-profiles/vet#HowToBecome

Real world examples – watch videos of people who work in careers using **Biology**

A GP - https://icould.com/stories/adebola/

An optometrist - https://icould.com/stories/tulsi/ and https://icould.com/stories/holly/

A dentist - https://icould.com/stories/anna-k/

A midwife - https://icould.com/stories/benash/

A surgeon - https://www.unifrog.org/student/subjects/featured/medicine

A biomedical scientist - https://www.unifrog.org/student/subjects/featured/medical-and-health-sciences

A Zoology student - https://www.unifrog.org/student/subjects/area-sciences/zoology
CHEMISTRY

Click on the links below to find out more about the different careers available using **Chemistry**. You will find out entry requirements, university and apprenticeship opportunities, average salaries and much more!

1. Anaesthetist

https://www.careerpilot.org.uk/job-sectors/medical/job-profile/anaesthetist

2. Chemical Engineer

https://www.unifrog.org/student/subjects/area-sciences/chemical-engineering

3. Chemist

https://www.careerpilot.org.uk/job-sectors/science/job-profile/chemist

4. Forensic Scientist

https://www.careerpilot.org.uk/job-sectors/data-network/job-profile/forensic-scientist

5. Pharmacist

https://nationalcareers.service.gov.uk/job-profiles/pharmacist

6. Laboratory technician

https://www.careerpilot.org.uk/job-sectors/science/job-profile/laboratory-technician
