Purpose of the policy

The purpose of this policy is to confirm that candidates leaving the examination room at St Benedict's Catholic College is managed in line with JCQ regulations.

This policy confirms:

- the correct procedures are followed in relation to candidates leaving the examination room
- St Benedict's Catholic College reserves the right to exercise discretion whether to allow extra time to compensate candidates for their temporary absence from the examination room

1. Arrangements for leaving the examination room

- For examinations that last one hour or more, candidates must stay under centre supervision until 10.00am for a morning examination or 2.30pm for an afternoon examination, i.e. one hour after the awarding body's published starting time for that examination (ICE 23.1)
- For examinations that last less than one hour, candidates must be supervised and question papers must be kept in secure storage until the published finishing time of the examination (ICE 23.2)

- Candidates who are allowed to leave the examination room temporarily must be accompanied by a member of centre staff. This must not be the candidate's subject teacher or a subject expert for the examination in question. (ICE 23.3)

Candidates may be allowed extra time at the discretion of the centre to compensate for their temporary absence. (ICE 23.5)

- Candidates can only leave the examination room where necessary or where supervised rest breaks have been granted by the SENCo. The centre must ensure that candidates who leave the room do not have access to any unauthorised materials. (ICE 23.4)
- Candidates who have finished the examination and have been allowed to leave the examination room early must hand in their script, question paper and any other material before they leave the examination room. Those candidates must not be allowed back into the room (ICE 23.6)
- At the end of the examination, candidates must hand in their script, question paper and any other material before they leave the examination room (ICE 23.7)

The following arrangements are applied at St Benedict's Catholic College:

- Candidates who are allowed to leave the examination room temporarily may be allowed extra time to compensate for their temporary absence (ICE 23.5)
- If a candidate has been allocated rest breaks by the SENDco students may be permitted the additional time.

If a student that has been allocated extra time has to temporarily leave the examination room, the additional time may be added on if the reason for the allocation of extra time was not for this purpose.

Additional arrangements:

Students will not be permitted to leave the examination room unless prior medical information has been provided to the exams officer indicating a medical need.

Students are not permitted to leave a lesson to go to the toilet so the same college rules apply to examinations.

2. Roles and responsibilities

The role of the exam's officer

- Through training, ensure invigilators are aware how candidates who may be allowed to leave the examination room temporarily should be managed and recorded
