

St Benedict's Catholic College

JSAT/TCR

15th September 2023

Dear parents/carers

Ofsted inspection report “St Benedict’s is a welcoming school with a strong ethos of caring for pupils and promoting academic achievement”

On Tuesday 18th July and Wednesday 19th July 2023 we were delighted to welcome two of His Majesty’s Inspectors (HMI) to our college to complete an Ofsted Section 8 Inspection of a good school.

I have now received the final report and am pleased to inform you that our college continues to be a good school. The inspectors recognised the many strengths of our college - as well as noting how well-behaved, confident and happy our young people are. Students achieve well as a result of good teaching.

My sincere thanks to all our students, staff, governors and wider community for being such an integral part of our success.

A copy of the report is attached for your information, which will also be published on the Ofsted website within 8 working days.

Yours sincerely

Mrs J E Santinelli
Principal
