8<sup>th</sup> January 2024

Dear Parent/Carer

### **Optional purchase of science CGP revision workbooks**

To aid revision for GCSE exams, the science department is offering the opportunity for students to purchase revision workbooks for use at home and personal study. The revision guides are extremely helpful as they contain a summary of the key information for their exams as well as a useful source of information to support with homework, end of unit tests and to help with making notes for any missed lessons.

Students might therefore benefit from ordering the following resources, which are available to order via ParentPay (at significantly reduced costs). The deadline for these purchases is Friday 19<sup>th</sup> January 2024.

#### **Combined science**

- GCCE Combined science complete revision and practice - higher tier - £12.16
- GCCE Combined science complete revision and practice - foundation tier - £12.16

#### **Separate science**

- GCSE Biology AQA complete revision and practice - £6.08
- GCSE Chemistry AQA complete revision and practice - £6.08
- GCSE Physics AQA complete revision and practice - £6.08

Please ensure you select the correct revision guides based on your child's course of study. If you are unsure please contact the subject teacher or myself as below.

If you have difficulty purchasing these items at this time, please contact your child's pastoral lead within one week of receiving this letter and we will endeavour to assist.

Please contact me if you need any further information [p.jeffery@stbenedicts.essex.sch.uk](mailto:p.jeffery@stbenedicts.essex.sch.uk)

Yours faithfully

Mr P Jeffery  
Head of science
