Attendance	<<PercentageAttendance>> %	Authorised absence	<<Authorised Absences>>	Unauthorised absence	<<Unauthorised Absences>>
------------	----------------------------	--------------------	-------------------------	----------------------	---------------------------

Target for attendance is 97%. Studies have shown that any student with attendance below 97% will not make expected progress.

The average reading age required for GCSE exam papers is 15 years 9 months (15/9) – Renaissance Learning Report.

Your child's reading age is 9/8

Reading age is calculated once the student has completed a reading assessment

We have developed 2 ▶ 8 pathways based on student's prior attainment (CATs and Scaled Scores). The number represents the **minimum** average grade a student should be aiming for across their subjects when they sit their GCSE exams in Year 11.

Working at Grade (WAG): This is entered by the subject teacher. The numbers are based on grades (8-1). A "W" shows they are working towards Grade 1. Subgrades of -/=/+ are used to show where on the range the student is currently.

Assessment Pathway = 4

Subject	Working at Grade (WAG)	Attitude to Learning (AtL)
Subject	1+	1
Subject	W-	1
Subject	W+	3
Subject	2+	1
Subject	W=	4
Subject	1-	3
Subject	3+	2
Subject	4-	1
Subject	1=	3
Subject	2+	1
Subject	3	1
Subject	1-	4

AtL (Attitude to Learning) see descriptors on report

"Working At" Grade – current attainment scores based on <<ChosenName>>'s assessment pathway. *The scale used is the same as the one used for KS2 assessments, CAT scores and FFT target grades (9-1), however they should not be considered as a direct reflection at Key Stage 3

Well Above	Working beyond their expected grade
Above Expected	Working above their expected grade
Expected	Achieving their expected grade
Emerging	Working on the borderline of the expected grade
Below Expected	Currently working below their expected grade

The key shows what the colours represent. A student that is making the required progress towards their final GCSE target will be showing **dark blue** and / or **yellow**. **Orange** shows a subject that needs development (multiple oranges across reports would be a concern within the Spring or Summer reporting, but may be expected in the Autumn). **Light blue** and **purple** are only seen in a small % of students and shows they are excelling and likely to achieve above their GCSE target grade at the end of their 5 years of study if they continue working at their current rate.

Attitude to Learning – a summary of <<ChosenName>>'s attitude, ability and willingness to learn. Further explanation of each level is shown below.

1.	<u>Highly Motivated Learner</u>	Your child is highly motivated to succeed; attends well, is punctual, organised and extremely focussed in lessons. They take responsibility for their own learning; always meet deadlines and consistently go above and beyond what is expected when completing independent work. They are a reflective learner who responds positively to feedback and acts on advice in order to make progress.
2.	<u>Engaged Learner</u>	Your child is motivated to succeed; attends well, is punctual, organised and focussed in lessons. With instruction and guidance, they complete tasks and meet all deadlines. They act on feedback to make progress and show a desire to improve.
3.	<u>Passive Learner</u>	Your child is sometimes motivated to succeed and occasionally shows interest towards their learning. Their classwork/homework may be incomplete or lack detail. They listen to teachers and other students, but don't always volunteer answers unless directly asked. They sometimes act on feedback to learn from their mistakes but must ask for help when they don't understand
4.	<u>Disengaged Learner</u>	Your child is rarely motivated to succeed; their progress may be affected by poor attendance, punctuality and lack of equipment. They need to work independently and are easily distracted when learning. They must meet deadlines and hand in homework on time. They must develop resilience; act upon feedback and try to improve their work.
